

HIGH CAPACITY CRANE PADS

OUTRIGGER  **PADS**

BE CONFIDENT. BUY QUALITY.

WE'RE SPREADING THE WORD...

Our crane pads are engineered to withstand extreme pressure with load capacities of up to 300 tonnes.

Lightweight and easy to handle, our range of quality outrigger pads provide maximum strength and support for the toughest lifting applications... and we hold them in stock!

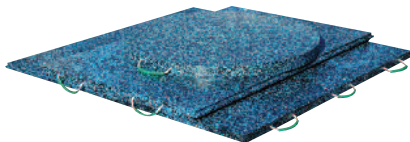

BUILT TO LAST...

Our tough no-nonsense crane pads are resistant to water and chemicals, and will adapt to the contours of uneven terrain whilst retaining their shape.

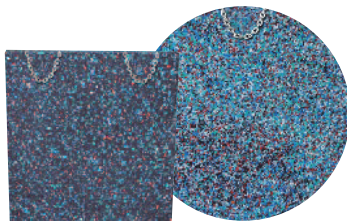

HIGH VISIBILITY

Provide better visibility in poor light or muddy ground conditions by alerting personnel to the potential trip hazard.

MULTI MAT SYSTEM

Designed to support high capacity lifting with the flexibility to use in various configurations.

PREMIUM CRANE MATS

High performing pads offering incredible strength, durability and load distribution.

MULTI MAT SYSTEM

Easily transportable and designed to be set-up quickly and simply by forcing the mats into the correct position and eliminating gaps.
