

SMARTSTORE

SAFELY STORE YOUR MULTI MAT SYSTEM

The new and improved **MULTI MAT SMARTSTORE** is ideal for keeping all of your original and interlocking Multi Mat System pads together. Its new features include a fold down gate for easy loading and full fork pockets for safe transportation.

SAFE & SECURE

A hinged locking gate ensures the stored pads remain secure at all times, ensuring safe transportation from site to site.

SLIDE & STORE

Simply take each mat by the handle and slide into place. The **SMARTSTORE** flat bars will hold the mats securely in position.

EASY TO LIFT & TRANSPORT

Easily lift and transport your Multi Mat System using the built in fork-lift channels to keep handling to a minimum.

TOUGH ENOUGH

Fully weatherproof and construction from galvanised welded steel, it's tough enough for any jobsite! It can hold up to 28 Multi Mats.
