

# SMARTSTORE

THE SAFE WAY TO STORE YOUR OUTRIGGER PADS

This all new **SMARTSTORE** is designed to hold square outrigger pads starting from 1 metre. Made from heavy duty steel, it's the safest and most reliable way to store and transport your pads across sites.

## LIFTING SUPPORT

An added lifting eye feature for safe and easy movement on site for up to 8 outrigger pads.

## EASY TO TRANSPORT

Designed to make it easy to lift and transport your outrigger pads, the integral fork-lift channels keep handling to a minimum and transport around the site is quick and easy.

## TOUGH ENOUGH

Tough enough for any job site, the fully galvanised welded steel construction is weatherproof, so it won't rust or corrode.

# MULTI MAT **SMARTSTORE**

THE SAFE WAY TO STORE YOUR MULTI MAT SYSTEM

The new and improved Multi Mat **SMARTSTORE** is ideal for keeping all of your original and interlocking Multi Mat System pads together. Its new features include a fold down gate for easy loading and full fork pockets for safe transportation.

## SAFE & SECURE

The Multi Mat **SMARTSTORE** features a hinged, locking gate to ensure the pads remain safe and secure at all times. It makes transportation easier whilst ensuring all pads are kept in a tidy and secure position.

## SLIDE & STORE

Simply take each mat by the handle and slide into place. The flat bar ends of the **SMARTSTORE** will hold the mat securely in position.

## EASY TO LIFT & TRANSPORT

Designed to make it easy to lift and transport your Multi Mat System, the integral fork-lift channels keep handling to a minimum and transport around the site is quick and easy.

## TOUGH ENOUGH

Tough enough for any job site, the fully galvanised welded steel construction is weatherproof, so it won't rust or corrode and has the capacity to hold up to 28 Multi Mats.
